The Effectiveness of Police Work: Comparison of
Perceptions Between Police Officers and Residents
Armed Forces as Auxiliary Police and Disaster Relief
Service?

Migrations, Social Cohesion, and Perception of Security
Phenomena

Users in Cyberspace: Threats and Security Implementation

Ensuring the Safety of Local Communities in the Future:
Perceptions of Different Stakeholders in Slovenia

AN OVERVIEW OF RESEARCH ON SAFETY AND SECURITY IN LOCAL COMMUNITIES IN SLOVENIA AS A PART OF THE FOURTH NATIONAL CONFERENCE ON SAFETY AND SECURITY IN LOCAL COMMUNITIES

an overview of research on safety and security in local communities in Slovenia

fear of crime, community policing

public opinion on threats

evaluation of police effectiveness in Slovenia

safety and security in urban local communities

impact of the welfare state on the safety of people in local communities

situational crime prevention

crime in town municipalities in Slovenia

the global challenges of refugee protection in a local perspective

security of economic entities

AN OVERVIEW OF RESEARCH ON SAFETY AND SECURITY IN LOCAL COMMUNITIES IN SLOVENIA AS A PART OF THE FIFTH NATIONAL CONFERENCE ON SAFETY AND SECURITY IN LOCAL COMMUNITIES

comparison between the rural and urban environments

police and local community

differences in perceptions of security phenomena

comparison of crime in Slovenian municipalities

self-protective measures of the inhabitants of Slovenia

factors associated with perception of safety

perception of security issues in local communities

crime and particularities of policing in rural areas

corruption in rural areas

safety of cyberspace users

AN OVERVIEW OF RESEARCH ON SAFETY AND SECURITY IN LOCAL COMMUNITIES IN SLOVENIA AS A PART OF THE SIXTH NATIONAL CONFERENCE ON SAFETY AND SECURITY IN LOCAL COMMUNITIES

review of audit reports of the Court of Auditors and analysis of the management of capital investments of municipalities and legal entities owned by municipalities

a research among the population of Slovenia on their satisfaction with providing security and a sense of security in differently urbanized environments/areas

demarcation of concepts of community, self-organized security, and vigilance.
