Protection, Security and Crime Prevention in Portugal

Bruna Sofia Peixe

Protection, Security and Crime Prevention in Portugal

Introduction

Portugal is the 4th safest country in the world and the 2nd most peaceful in the European Union. Which makes it a strong attraction to live and work.

Protection, Security and Crime Prevention in Portugal

Introduction

Portugal has 3 types of security:

The Military Forces: Navy, Army, Air Force

Security Forces: GNR, PM, PSP

Security Services: PJ, SEF, SIS.

Protection, Security and Crime Prevention in Portugal

Specifically in the municipality of Salvaterra de Magos, where I live, the GNR (National Republican Guard) makes a strong contribution to civil protection and security, it is a security force of a military nature.

Protection, Security and Crime Prevention in Portugal

The proximity policing model (PEPP) was adopted in Portugal, with the political objective of bringing the police closer to citizens and mitigating public order and security problems with imaginative and effective strategies. These are, the sections of the special programs, presented in 3 groups.

The proximity policing model (PEPP)

Protection, Security and Crime Prevention in Portugal

For better civil development and a lower crime rate, regarding drug trafficking and production, home robberies, commercial establishments and industries in the respective community.

Protection, Security and Crime Prevention in Portugal

The GNR has the task of ensuring the operation of an operational unit for research and collection of criminal information (UIC)

Protection, Security and Crime Prevention in Portugal

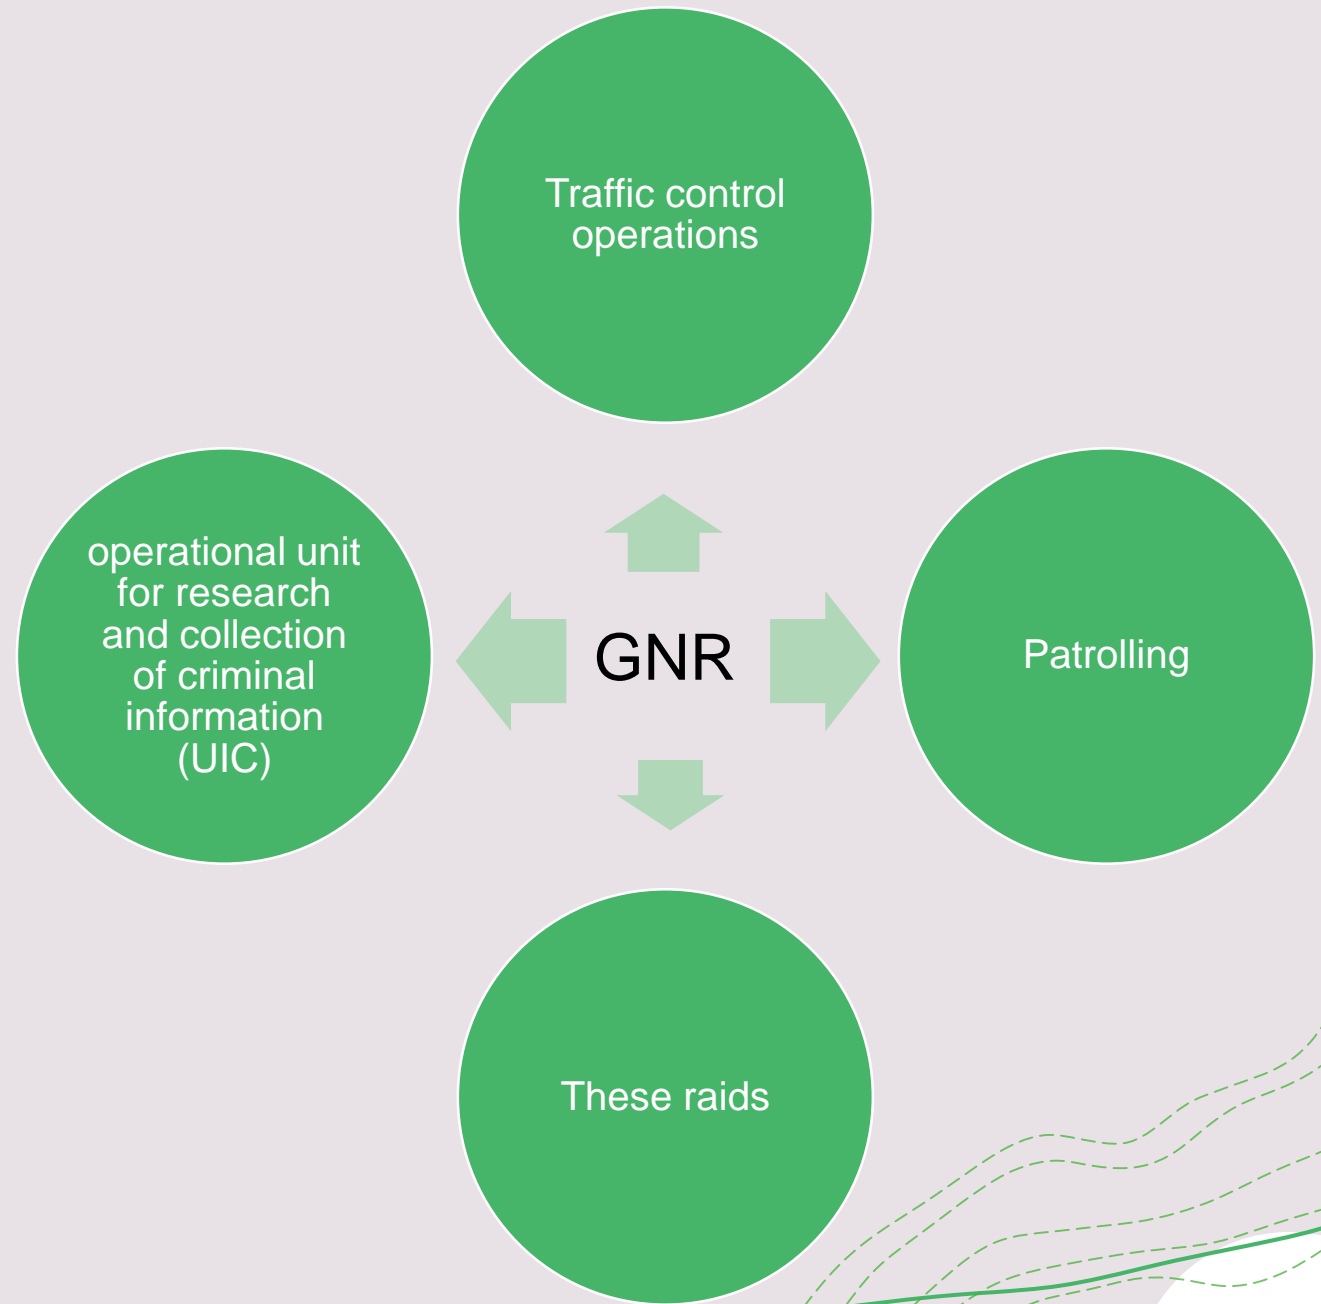

Patrolling is the GNR's measure to prevent and combat crime, as well as traffic control operations, whose main objective is to regulate, control and prevent road accidents. Control operations are effective means of preventing and combating crime related to the consumption of alcohol, drugs, transit of people, goods and vehicles that circulate illegally in the country and in the EU itself.

Protection, Security and Crime Prevention in Portugal

As a complement, police raids play a notorious role in civil security, often linked to a deep investigative work carried out by the Criminal Investigation Units (UIC), later complemented by the various GNR units.

Conclusion

In conclusion some of these measures imputed by the security forces and services, the community benefits from added value, obtaining greater peace of mind, consequently leading to a greater retention of people, goods, and services, contributing to economic growth and well being of the community.
