The focus on early discovery of causes deviant behavior in the earliest ages.

Serious role:

Social security service, health services, some of educational institutions, judicial authorities and various humanitarian organizations.

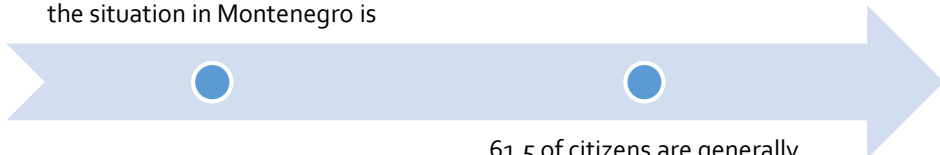

RESEARCH RESULTS

The Organization for European Security and Cooperation is one of the largest, regional organizations that includes a whole range of activities in the security sphere.

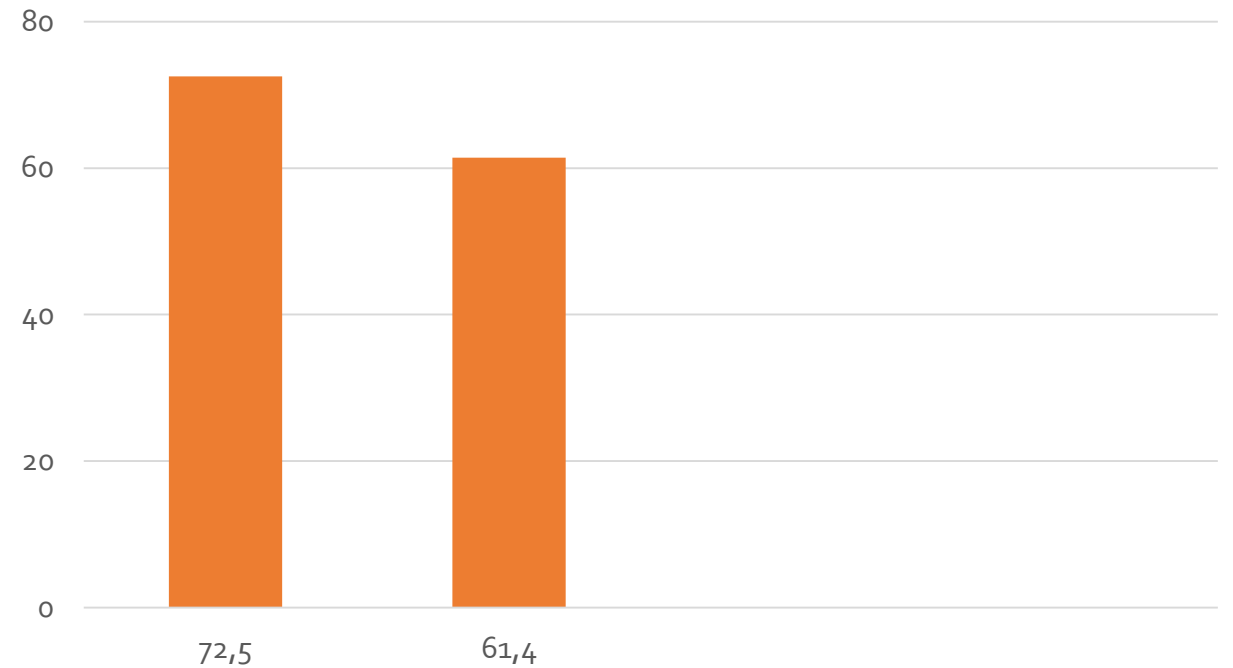

OSCE missions in Montenegro are focused on: the fight against corruption and organized crime, judicial reforms, reforms of the security and law enforcement sectors.

As part of the OSCE mission in Montenegro, the Damar agency conducted research between October 7 and 15, 2022.

72.5 citizens generally believe that the situation in Montenegro is

61.5 of citizens are generally satisfied with the efficiency of the police in protecting the safety of citizens

Stradala jedna osoba, više povrijeđenih u eksploziji bombe na ulazu u Osnovni sud u Podgorici

Foto: Luka Zeković

The explosion in the Basic Court was preceded by several false reports of bombs, due to which the buildings of the Assembly of the Capital City of Podgorica, the Supreme Court, the Court of Appeal and the High Court were evacuated in the past period.

One person was killed and several others were injured in the explosion of a bomb activated on Friday, March 3 at the entrance to the Basic Court of Montenegro in Podgorica. The attacker activated the bomb at the very entrance to the Basic Court, which is located in one of the busiest parts of the city, and he himself was killed on that occasion.

Also, we can pay attention to one isolated case of murder in the very center of Podgorica. Namely, the shooting took place in the "Barley pub", under the City Stadium, around 10.15 pm on Saturday, October 15, 2022. I. N. shot and killed D. Š. (40), and the Police Administration announced that the shooting was preceded by a verbal and physical conflict.

Murder rate per 100,000 inhabitants in the countries of the former SFRY

The number of murders on the territory of Montenegro in the period from 2006 to 2019

The protection of society from crime involves removing dangers and disturbances to public order as well as taking preventive actions to protect the state from any kind of danger.

MEMBERS OF THE SECURITY SYSTEM HAVE A PRIMARY OBJECTIVE

The tasks of the criminalistic police arise from its affiliation with the internal affairs and public security services

Knowledge of the causes of criminality

Conditions that enable the commission of a criminal offense

Timely information

Predicting crime

The specifics of human resource management in the process of crime prevention depend on numerous factors, the most important of which are:

LITERATURE
